OUR COMMITMENT TO DOING GOOD

As proud members of the Sustainable Restaurant Association, these are some of the ways we try to make a difference...

We buy chickens from the award-winning Soane family farm in Yorkshire, where they're reared to the highest welfare standards.

This paper is made using 15% of by-products from the processing of maize corn plus 40% recycled fibres and 45% FSC certified virgin fibres.

A £1 donation is added to your bill for unlimited still BELU water. 100% of each donation goes to the charity WaterAid.

All of the discretionary 12.5% service charge added to the bill goes straight to our team.

£1 from every crispy chicken thigh burger will go to Streetsmart homeless charity.
